## President's Message

Greetings Members!

Since 1978 our organization has welcomed new people to the Hopkinsville-Christian County area, connecting them with long-time residents by offering engaging activities to learn about and explore our community.

Many people find us through our webpage or Facebook page. Others have been invited by a member they encountered out and about. Traditionally, we have welcomed prospective members with a complimentary lunch when they first attend one of our monthly meetings.

Last year, Covid made our gatherings infrequent and irregular, and as we now get back to regular activities, and since we have welcomed several new members recently, the board has decided to offer **all** members a complimentary lunch at our November 10<sup>th</sup> meeting.

We have met so many new friends throughout last year and we want to celebrate this with an invitation to enjoy a lunch and time together.

We hope you will join us this month for more fun activities and fellowship!

Susan

# Getting to Know.... Cindy Robinson

I am Cindy Robinson, and I was born and raised in northeast Ohio. Our family moved around that region a lot because my dad was a United Methodist minister. I met my husband, Gregg, during our freshman year at Mount Union College in Alliance, Ohio. We settled in Columbus, and after our son, Matt, turned one, we started moving for Gregg's career in the hotel industry. I have lived in Chicago, Atlanta, Kansas City, Tucson, Houston, Tulsa, and Scottsdale.

After my husband's death in June 2020, I decided to move to Hopkinsville to be near Matt and his family. I just recently moved into my house and once it is organized, I plan to continue my hobbies of reading, sewing, and counted cross stitch. I am also a Precept Bible study leader and since COVID-19, I have been leading the study online, using Zoom.

Newcomers and Neighbors has been a great find for me. I love the different interest groups and the friendliness and camaraderie of the members. Thank you for welcoming me to Hoptown!
