President's Message

Greetings Members!

It was good to see you at our last meeting as we kicked off the start of our new membership season. I am looking forward to the great times we will have as we meet new friends and reconnect with old ones, while finding opportunities to engage with our community.

I have always known Newcomers and Neighbors to be a remarkable organization with members that show good will and kindness. If you are new to our group, at one gathering you will quickly see the heart in this organization. Other than fellowship, we strive to contribute to our community. In this spirit, each month we will ask our members to come together to support a local organization. This month we want to show our appreciation for the Hopkinsville Police Department. Please bring packaged snacks to the October meeting and we will present them to the men and women who keep our community safe.

Look for other opportunities of giving listed here in the newsletter.

Thank you for being an active member and see you at the next event!

Member News

Our Members in Action

On August 25th and September 1st, Donna, Cathy, Cindy, Susan, Lisa C., Lisa D., Pat, and Angie helped out at Grace & Mercy Thrift Shop, sorting many (MANY) books that had been donated. Knowing these ladies, they walked away with not only a sense of accomplishment, but also some new reading material.

On September 18th, some of our members woke up very early to hand out water, Gatorade and encouragement to participants of the 3rd Annual Hoptown Half-Marathon. They were set up at mile marker 4 of a 13.1094 mile run. Thank you Mimi, Reika, Maya, Cindy, Amy and our 3 young helpers. We do plan to do this again next year and hope to have even more help!

Getting to Know.... Maya Yamanaka

I'm from Ome, which is located in the western part of Tokyo. There is a lot of nature there, like mountains, rivers and ravines. There are three people in my family: my husband, my son and myself.

I'm interested in many things. I especially love traveling and visiting Art Museums (I'm a nationally certified Curator in Japan). I used to work at a travel agency. I have been to many countries and regions, including Turkey, Egypt, Greece, China, Thailand, Singapore, Malaysia, Indonesia, Macau, Hong Kong, Taiwan, Great Britain, Italy, Australia, Switzerland, Spain, Germany, France, Vatican, and Liechtenstein. They all had their own unique charm. When the Corona Virus settles down I'd like to go on a trip.

During our stay at home my husband grew some vegetables in the kitchen garden. Sometimes I went for a drive with my husband. There were many beautiful things to see here- the corn, tobacco, soy beans, old barns, cows, horses, meadows and sky. The sunset view from my backyard is breathtaking beauty! Even though I couldn't go out freely, I didn't get bored because Hopkinsville is full of splendid things.

I think Hopkinsville's biggest charm is the people. Everyone is so friendly. I'm a really happy to live in here. I'd like to say thank you to everyone. I'm grateful for the small things in my life.
