President's Message

Greetings Members,

Who is ready for summer? I know I am. May is known as the month for Derby, graduations, planting flowers, and unfortunately, the last Newcomers membership luncheon as we take a summer break until August. But don't worry, although we will not have membership meetings, the fun and friendship will continue with Lunch Bunch, Book Club, and some special summer get-togethers.

However, you won't want to miss our luncheon on May 11th. This end-of-season meeting is usually our time to share homemade dishes, introduce the new Board and make monetary donations to local agencies voted on by members. We will mix things up a little this year and move donations to the August kick-off (which is already in the planning stages) but other traditions will stay the same and we will enjoy a potluck lunch, celebrate the friendships made and recognize the generous spirit our members have shown this year! I hope you will join us for this special occasion.

Children's Day is an annual holiday held throughout Japan that takes place on May 5th. Until 1948 it was known as Boy's Day but was then changed to Children's Day to be more inclusive. On this day, we celebrate children's happiness, health, and growth. On Children's Day (Boys' Festival), families with boys set up large-sized carp streamers called Koinobori outside the house. Also, they display the Japanese armor and the helmet inside the house. Then, We usually eat traditional meals and special foods. My family ate cake last year!! I'm going to eat sushi this year. -Sayaka Nakagama

Getting to Know.... Pam Hale

My name is Pam Hale, I have been married to Tony Hale for 9 years. We live on Princeton Rd, in the big city of Cerulean. We have 5 children together and 12 grandchildren, with one more on the way in August. We love our big blended family. Family is very important to both of us. I love it when they are all at our home; it is very crowded but so much fun... Our life is centered around Christ and we are both involved with our church. We attend the Northside Church Of God, on Madisonville Rd. I am the Ladies' President this year. I enjoy all the outings and fun things we do together. Our ladies group is planning a ladies' conference for June the 4th. It is going to be an amazing time for all ladies that need a pick me up.

As many of you know, I am the Director of Sales for 4 hotels in the Christian County area: Hampton Inn & Suites, TownePlace & Suites, La Quinta Inn & Suites, and Sleep Inn & Suites. I had worked at O'Charleys for 11 years before taking this job. I enjoy working with people. My sweet momma always told me I never met a stranger. I love my job! I get to meet new people every day. I have met some important people too. I look forward to coming to work each day. You never know what is coming your way but I am up for the task.

On February the 16th I lost my best friend, my amazing mother... Life has changed so much for me since she has been gone. I know that she is still with me and each day I try my very best to make her proud of the person I have become. I hope she knew what an impact she made in my life and so many others' lives. That is my goal now too. I want to make a difference in other people and to help make this world a better place to live.
